TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday the 11th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

3 To see if the Town will raise and appropriate the sum of \$202.97 and the State will contribute \$811.86, to be spent on the Cock Hill Road under Class V Aid.

4. To raise and appropriate for issuance and distribution of printed matter and otherwise publicizing the resources and natural advantages of the Town in cooperation with other towns coordinated in the Seacoast Regional Development Association, the sum of \$69.00.

5. To see if the Town will vote to plow the snow in the Lane from South Road to Emmons' and formerly D. Elwin Pevear's. By Request.

6. To see if the Town will vote to raise and appropriate the sum of thirty (\$30.00) dollars toward the expense of publishing the Inventory of the Town Records as compiled by the New Hampshire Historical Records Survey.

7. To see if the town will vote to exempt the Trustees of Trust Funds, Library Trustees and Auditors from paying the usual registration fee as candidates for said offices at the annual Town Meeting.

8. To see if the Town will vote to give the Selectmen power to borrow money in anticipation of taxes.

9. To transact any other business that may legally come before this meeting.

Given under our hand and seal, this 22nd day of February, in the year of our Lord, nineteen hundred and forty-one.

John D. Town
WALLACE H. BATCHELDER,

OLIVER H. AKERMAN,

Selectmen of Hampton Falls, N. H.

Property Taxes	\$16,684.63	
Poll Taxes	586.00	
Total Taxes to be Committed to Collector		\$17,270.63

SELECTMEN'S REPORT ON EXPENDITURES

Before submitting this report the Selectmen would like to explain some of the overdrafts.

The overdrafts on Town Hall was partly due to Library insurance of \$75, for which there was no appropriation and supplies used on shed for snow plow.

Overdraft on snow removal: there were bills amounting to \$191.51 which was spent before Town Meeting.

The labor on sheds was also a part.

It seemed necessary to have a place under cover for the snow plow, especially when plow is put on tractor.

Expense of the wall and railing at Dodge's Mill was taken from surplus.

The railing has been approved by the State Highway Department.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hampton Falls, N. H., qualified to vote in district affairs :

You are hereby notified to meet at the Town Hall in said district on the 11th day of March, 1941, at one o'clock in the afternoon, to act upon the following subjects :

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote for a new heating system in the Town School, and raise and appropriate money for the same.

Given under our hands at said district this 25th day of February, 1941.

EDWIN L. JANVRIN,
JAMES W. ELTON,
CLARA J. BROWN,

School Board.

A true copy of Warrant—Attest:

EDWIN L. JANVRIN,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Hampton Falls:

I herewith submit to you my eleventh annual report as Superintendent of your schools. It will consider the statistical and scholastic standing of your schools for the year 1939-1940. The enrollment for the current school year will be included.

The size of the school population of Hampton Falls has tended to remain stationary during the past few years. The September attendance for 1939 was 48 while that of this year is 47. The percentage of attendance is again 95.

This year a new teacher, Miss Norma Nichols, is in charge of the three primary grades. She comes to us after successful experience in lower grade work. She is well qualified to guide our children through the most important years of their school lives.

Mrs. Arline Yeaton, after five years as teacher of our upper grades, resigned on January 16, 1941. Her standards of scholarship were high and under her instruction our pupils were well prepared for work in the high school. It will be our aim to maintain those high standards.

The fire of January 13 proved the advisability of installing an improved heating system in the school. The recommendations of school engineers favor a forced hot water system. This is quick acting, uniform and reliable. For a two-room school such as ours the heater could be placed in the present wood shed simply by making it fire resisting. Thus the necessity of excavating would be eliminated. With the heater located here, pipes would be run into each of the rooms and, if desired, into the cloak room as well. The temperature of each room can be thermostatically controlled and lowered to any desired degree over week-ends.

This installation already has been used in several schools of New Hampshire with success. I am suggesting a careful consideration of this solution of our heating difficulties.

As life becomes more intense and more complex it is increasingly a duty of the schools to train our future citizens in the arts resulting in a more sane and human outlook. The study of Literature is a valuable means to this end. Our children are more widely read than those of previous years. As an aid toward this end, libraries are being established in as many schools as possible. Money spent thus is well spent.

A second means to the same objective is the study of art—both as appreciation of the masterpieces and as self-expression by drawing. Hampton Falls children have unusual opportunities in this activity since Mrs. Janice Naves is a trained instructor. The value of her work will be evident in the broader compass of our children's activities as they reach adulthood.

Mr. Hawkins is training the pupils in music—another course with this valuable aim. An adult who knows little or nothing about music who cannot sing or who cannot at least enjoy music is deprived of much that is worthwhile. Our music instructor is imparting to our pupils values which could be received in no other way. He is a skillful teacher who understands his pupils.

Without physical health, mental health is greatly impeded. Therefore it is of the first importance that a skillful nurse and physician be ever watchful over the pupils. Mrs. Lindsey's faithful service is well known to the people of Hampton Falls. She is a friend, councilor and nurse to all school people of the town. Her report is included herewith.

The school of America has always taught democracy. It has taught democracy by its practice of equality for all—ability alone distinguishing one pupil's place from that of

his fellows. It has taught democracy by studying the stories of great heroes, by learning the great truths which controlled the lives of these heroes. It has taught democracy by implanting in the young minds a devout respect for religion and for religious thought. It has, in the later school years, placed the Constitution and the great documents of the democracy as required study. These are but beginnings, however.

When our children leave our schools they will be immediately faced with a conflict of governmental theory. Unless they are thoroughly acquainted with the foundations of democracy they will be confused. Unless they are trained to a deeper consciousness of the privileges and responsibilities of American citizenship, our school will be neglecting its present chief obligation. For this reason we shall ask the support of the citizens for increased emphasis upon certain subjects. There must be more teaching of the resources of our land. There must be more time spent in studying our social relations one with another. Daily it is becoming more important that people know how to live together. There must be a more definite preparation for the skilled trades. We have tended to overemphasize mental skill and disregard manual skill. It is the trained hand that our situation in the present and immediate future demands. The schools must help to meet this demand. We must become more definite in our school work. To this end we ask your aid.

May I again express my appreciation to the School Board of Hampton Falls for advice and hearty cooperation given me in the work of the past year.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

February 6, 1941.

REPORT OF THE SCHOOL NURSE

To the School Board of Hampton Falls:

I hereby submit to you the following report of the health activities completed from January 1940 to January 1941.

The annual physical examination was made and conducted by the school physician, Dr. Coleman, assisted by the school nurse.

Number of pupils examined	43
Number underweight	4
Corrected	2
Number with defective vision	1
Corrected	2
Number nervous condition	4
Number Cardiac condition	1
Number defective teeth	2
Corrected	18
Number diseased tonsils	7
Corrected	2
Number with adenoids	2
Corrected	1
Number enlarged glands	5
Corrected	2
Number vaccinated	42
Unvaccinated	1
Contagious diseases--Measles	1
Number of visits to homes	42
Number of visits to schools	41
Special visits made to school	3

In event of any contagious disease, special visits are made to school to keep strict supervision over the children.

Children are weighed and measured at beginning of school year in September and weighed monthly during the

year. Classroom weight charts are kept and weights recorded. The children take an active interest in watching their monthly gain. Examinations are also made frequently of hair and skin.

A dental clinic was conducted by Dr. Merle Straw of Hampton Falls, assisted by the school nurse. All children are transported to and from the office by the nurse. A dental examination of all school children is made by Dr. Straw and an estimate of work required to be done is given to the parents. A report of the clinic is as follows:

Number of pupils examined by the dentist	43
Pupils treated	15
Pupils receiving full care	15
Pupils paying full cost	15
Number of cleanings	15
Number temporary extractions	2
Number cement fillings	2
Number silver fillings	20

We are conducting another clinic at present. A marked improvement has been shown in the teeth of the children by having this annual clinic. Dr. Straw has more than generously contributed his time to the clinic. The Red Cross have given us ten dollars for our clinic, for which we are very grateful.

First aid supplies are purchased and placed in school at the beginning of the school year.

I would like at this time to thank Mr. Gillmore, the School Board of Hampton Falls, the Teachers and Parents for their cooperation in my school work.

Respectfully submitted,

DOROTHY E. LINDSEY, R. N.

February 9, 1941

SCHOOL STATISTICS 1939-1940
